

# DELIVERING OUR NEW PLANNING SYSTEM - THE MAP

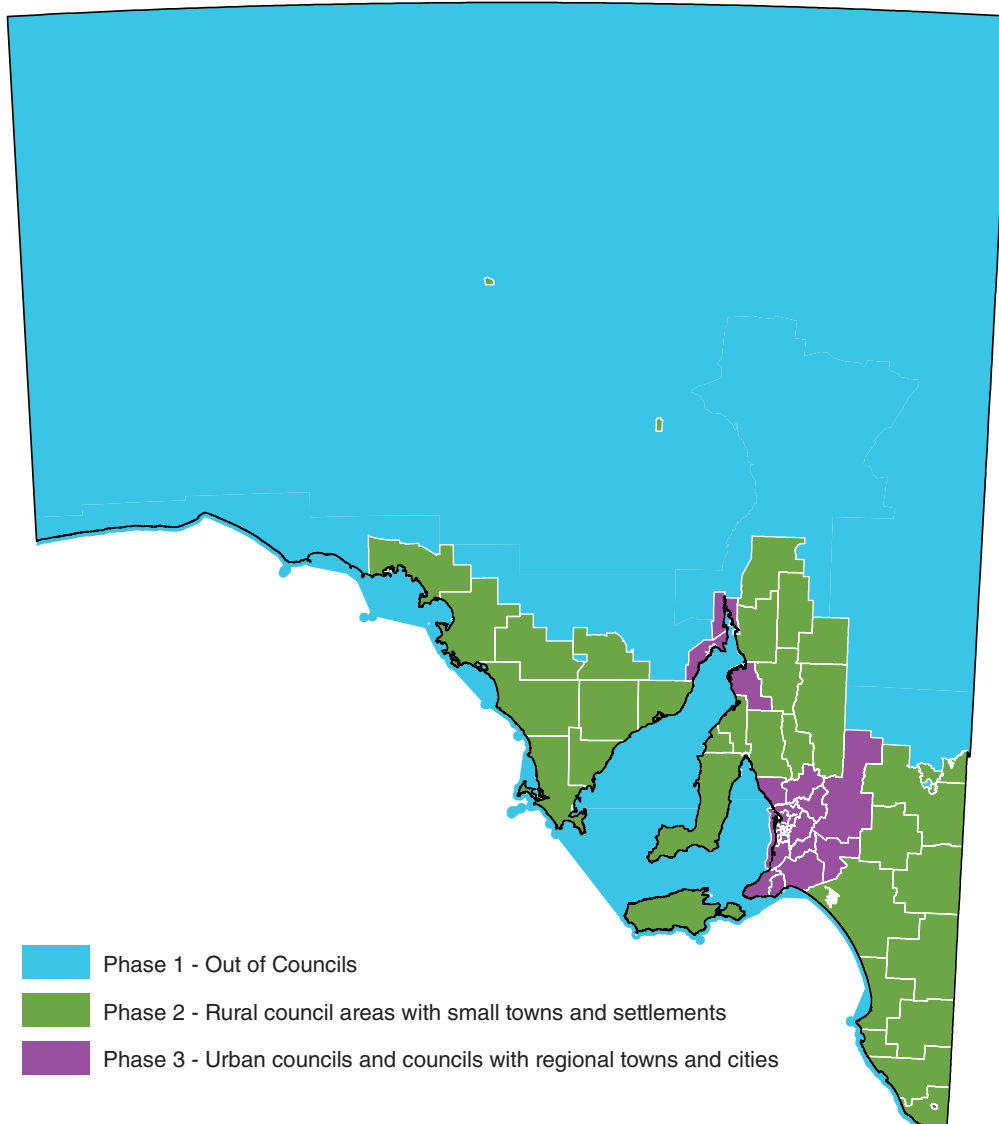

Our new planning system will be delivered across three phases:

- Phase 1 (mid-2019) – out of councils
- Phase 2 (early-2020) – rural council areas with small towns and settlements
- Phase 3 (mid-2020) – urban councils and councils with regional towns and cities

Underpinning each phase is the commencement of the Planning and Design Code and the conversion (and retirement) of Council Development Plans. This fact sheet provides a short overview of each phase. For more information on the new planning system, please visit [www.saplanningportal.sa.gov.au](http://www.saplanningportal.sa.gov.au)
